The Civil Grand Jury is part of the judicial branch of government – an arm of the Court. Each year, the Civil Grand Jury closely examines local governmental agencies and investigates citizen concerns. The annual report of the Civil Grand Jury provides a foundation for discussion and action to improve local government services.

If you are interested in becoming a Civil Grand Juror for 2011, please submit the enclosed Statement of Interest form by October 25, 2010. We also ask that you attend one of the three interview and informational sessions listed below.
