## PRESS RELEASE

October 22, 2008

### **Superior Court Announces the Relocation of Jury Assembly Room**

The Superior Court of California, County of Monterey announces the relocation of the Salinas Jury Assembly Room.

Effective Monday, October 27, 2008, citizens summoned for jury service in the Salinas Division on Mondays will be required to report to the Board of Supervisors' Chambers, located in the Monterey County Government Building at 168 W. Alisal Street in Salinas. Those reporting for service Tuesday through Friday will report to the Court's Modular Building 1 located at 240 Church Street, Salinas, CA.

The current Jury Assembly Room located on the corner of Lincoln and Gabilan Streets will be converted into an additional courtroom. Construction will begin in October and is expected to be completed at the beginning of 2009. The new courtroom will accommodate the additional judicial position allocated to the Monterey County Superior Court by the legislature last year.

Court personnel will be available to direct jurors to the appropriate location. Parking and a shuttle service is available at the Amtrak Station located on Market Street.

Maps and further information may be reviewed on the Court's public website at [www.montereycourts.courts.ca.gov](http://www.montereycourts.courts.ca.gov). Please contact the Jury Services Division at (831) 775-5400 extension 3006 for additional information.
